

**Bob Mcfarland**  
Club President 2018 - 2019

**Meeting No. 1963**  
**Thursday 27<sup>th</sup> September 2018**

The meeting, a Fellowship Night, was officially opened by Rotarian Deidre Hughes who recognised the Rotary Club of Holdfast Bay which has 34 members and is the home club of 2018 – 2019 District Governor Kym Harvey.

President Bob welcomed all members before introducing the chairman for the evening, Peter Manuel who gave no indication of what he had in store for us later in the evening. Just as well.

Sergeant Ian Moffatt quickly slipped into top gear and the fines session progressed with fair and unfair fines, fact and fiction. Always run with good humour and in a spirit of fun, there were some scorched pockets and reputations at the conclusion of the session.

Alan Kluske is the club's Membership Officer, and he explained his plan to get us all involved in thinking about and providing names of people whom we think would not only make good Rotarians, but also be interested in becoming a Rotarian.

Peter Manuel then launched a series of competitions between teams of those Rotarians present. They were tests of concentration, application and ability. Some members failed miserably, others thought they had done well. One challenge required a knowledge of aerodynamics and another of engineering skills. It would seem that no-one ever completely loses the ability to make a paper plane, and then take great delight in sending it flying through an open doorway. To create a balance in the intellectual quality of activities, Peter also requested the completion of a sudoku puzzle and the unscrambling of a Rotary jumble of words. It was a fun evening with plenty of Rotary initiative and inventiveness shown. Many thanks to Peter for setting up this special fellowship night.

Raffle donated by Des Schirmer and won by Deidre Hughes. 200 club winner – Phil Beckett.

## CLUB NEWS:

**From President Bob:** Thank you for being a part of the 2018 RYDA over the previous two weeks. We were down on numbers this year but still introduced 194 students to the program, bringing the total to 1636 since the start of the program seven years ago.

**From Ken Carter, Director, Community Service:** Get it into your diaries – this year's Rotary Pageant is being held on **Saturday 8<sup>th</sup> December.**

**From Peter Francis, Director, Vocational Service:** The proposed visit to Investigator College's Currency Creek Eco Centre is going ahead before the end of the year. More information to come.

## End Polio Film Night

This year you will have options to support the End Polio Film Night. We are showing the film in a number of places at different times. All proceeds go to the End Polio Now Campaign.

### About the Film

Bohemian Rhapsody is a foot-stomping celebration of Queen, their music and their extraordinary lead singer Freddie Mercury, who defied stereotypes and shattered convention to become one of the most beloved entertainers on the planet. The film traces the meteoric rise of the band through their iconic songs and revolutionary sound, their near-implosion as Mercury's lifestyle spirals out of control, and their triumphant reunion on the eve of Live Aid.

First reviews have been great.
