I AM WOMAN is the story of Helen Reddy, who in 1966 landed in New York with her three-year-old daughter, a suitcase and \$230 in her pocket. Within weeks she was broke, she was one of the biggest superstars of her time, and an icon of the 1970s feminist movement, who wrote a song which galvanised a generation of women to fight for change

Exclusive to Rotary - this will be the only chance to see this film on the BIG Screen
