### What is Hat Day all about?

Rotary Hat Day is held in October each year to raise funds for Australian Rotary Health to support Mental Health Research.

### Who We Are

Australian Rotary Health is one of the largest independent funders of mental health research within Australia.

We also provide funding into a broad range of general health areas; provide scholarships for rural medical and nursing students, as well as Indigenous health

students. Australian Rotary Health provides funding into areas of health that do not readily attract funding, and promotes findings to the community.

Australian Rotary Health is a project of the Rotary Districts of Australia and is supported by Rotary Clubs. We have a broad vision to improve the health and wellbeing of all Australians.

### What We Do

Australian Rotary Health provides funding into four focus areas, and promotes findings to the community:

### Mental Health Research

Since the year 2000, Australian Rotary Health has focused its funding on mental health research.

In 2012 this focus narrowed to the Mental Health of Young Australians, and in 2013 research projects focussing on the Prevention of Mental Health Disorders were included.
