The Chiton Rocks Surf Life Saving Club (SLSC) was formed in 1957. The Club is run on a voluntary basis and members provide Surf Life Saving services to local beach goers and visitors during the Australian summer from November through March each year. Members train each year to maintain proficiency in first aid and rescue techniques in accordance with standards set by Surf Life Saving Australia and Surf Life Saving South Australia. There is a strong culture of community service from a diverse and eclectic membership. Members of all ages travel from other parts of the State to donate time to beach safety.

The Club in the recent times has enjoyed an increase in family memberships and has a strong and vibrant Junior Development program. The Nippers are the future of the organisation and the Chiton Nippers are a credit to their families and the association.
