MEETING NUMBER 2071

This week Directors gathered their committee's at various times and places to discuss their Avenue of Service.

Reports from those Committee Meetings as follows:

Community Service Committee Report from Ken Carter

Meeting 3/3/21

Attending: Ken Carter, Allan Mullins, Barry Pryor, Phil Beckett, Mary-Anne Woodman, Des Schirmer

Apologies: Marilyn Shaw, David Kemp

- SCOTS vehicle – new lease: waiting on finance info - Mary Anne to inform
- Christmas Pageant/ Festival Coordinator: no takers from our club – suggest we talk to Council or offer it to other community organisation (eg HMVC) with Rotary Support. (*Since meeting there is a possibility of 2 members of RCVH taking on the role*)
- Community Grants: delay Community Grants programme until May so that we do not cross over RCVH Community Grants Programme. Liaise with RCVH so that we do not double up on grants.
- Tree Planting: Barry will liaise with Brian Rodan re date for tree planting.
- Community Project: suggestion that we look at a long term project (similar to RCVH lookout at King's Beach). Perhaps a structure at Hayward St / Ct. Broach idea with council.
- COVID Vaccination rollout: could Rotary be involved with the logistics of this – eg marshalling patients, transport, and communication. We will contact authorities when process is clearer.
- Late entry – suggestion that RCEB is involved with celebrations to open new causeway in 2022. Ken to follow up.

Club Service committee meeting from Sue Dixon

Thursday March 4

Present: Sue Dixon, John Haynes, Marilyn Shaw, Barry Pryor, David Virgin, Des Schirmer, Alan Mullins, Cherilyn Fleming, Jeanette Rich, Deidre Hughes.

Communication – website and Facebook ably managed by John. Marilyn, doing a PR role is to work with John on ways to liven up the sites. Marilyn is dealing with David Kemps idea for radio advertising. RC's of Victor Harbor and McLaren Vale have interesting Facebook sites.

Newsletter – The opinion was that Deidre is producing an informative newsletter. There was a discussion about the purpose of the newsletter – to report on the past meetings or future events, for present members or prospective members, to announce rosters or programs.

Market – This was discussed briefly as MaryAnn as director will want to be present at a meeting. Alan Mullins and Jeanette Rich will assist MaryAnn where she requests. Alan cuts the lawns at Port Elliot. David has defined the arrows at Goolwa. John Haynes puts information on Facebook as given to him by Marilyn.

Rosters - Barry Prior mentioned that there is 1 vacancy at Port Elliot on April 17. There are a number at Goolwa. Barry was given the names of 5 people who will possibly help if phoned. Ken B, Madeleine, Jenny, Annette, Mike Kelly. When she has her head around it Mary Ann will look at future directions for the markets.

Programs/Meeting Roster – The plan until the changeover in June is to have 1 or 2 guest speakers a month and 2 casual fellowship meetings. Cherilyn would like input on speakers.

It was noted that a club vote on venue was 80% in favour of differing the venues. This is more difficult for the organiser. An example of difficulties faced is that Middleton has no exclusivity in busy times; the audience has trouble hearing and seeing the guest speaker at the Crown. At this time The Grosvenor and Apollon are on the acceptable list. Member's suggestions gratefully received.

Risk Management – under control by Alan Mullins and Barrey Niven

Membership – Alan Mullins had recently chaired a meeting talking about ways to improve membership. Members may like to share ideas.

Attendance – Des Schirmer and Barry Pryor are happy with the recording. They like that Brenton Abbot emails Des and Barry so they have the details before the meeting. If one of the attendance officers is absent a meet and greet person can fill in.

Catering – this seems to work well with Brenton's office staff very efficient in recording attendance. Brenton contacts the venue.

Property – Des Schirmer inherited a very efficient register of property as developed by Deidre. The projector is to be placed in a metal cupboard in the shed. It was felt there are 3 club computers – treasurer, market and general club one in the shed. The sound system has gone to the Men's Shed

Sergeant – Alan Mullins to take this role

Social Outings (eg camping weekends) Barrey Niven and Colin Francis?

Welfare – We presume that Mary Ann would like someone else to do this as she has taken on Market Director. Jeanette Rich is interested in doing this role. The group had a short discussion on ideas for a major project highlighting Rotary Club of Encounter Bay using market profits. These will be given to the next President Ken Carter.

1. Community garden at Toc H (Alan Mullins)
2. Age Care (Jeanette)
3. Path between Petrel Cove and Kings Beach area (Marilyn and Deidre)
4. Kleinig's Hill Kondoli Lookout new area (Des Schirmer)
