### **Homelessness Awareness Forum**

Members, along with many community members, were provided with information about the work of the Fleurieu Community Foundation at the Homelessness Awareness Forum. This included a broad range of matters that have an effect on vulnerable people in the Fleurieu area. The work of Junction Australia and local Homelessness support services was outlined. The Junction Australia project has exceeded targets with many in the community provided assistance. Support from local services include the South Coast Christian Community Care, Victor Harbor and The Open Door, Goolwa. Emergency support is an ongoing need and donations are most welcome.
