## Rotary Matters: D9510

## Guest Speaker

Chair Barry Pryor introduced Helen and Bruce Williams who provided the Club with a history of the Nangawooka Flora Reserve of Australian Native Plants: five acres of remnant forest reserve founded in 1982 by the local Zonta Club. Over 2000 plants grow in the Flora Reserve. Over 60 species of birds have also been recorded. Helen and Bruce provided a guided tour through the very impressive Reserve, which was laid out like a botanic garden.
