## **President Sue Dixon**

- President Sue welcomed Members and guest speaker Justin Biddle from the Wildlife Rescue Centre. Sue was also pleased to welcome Grant Mullins, guest of Alan Mullins.
- Sue then advised that unusually there were no Birthdays and anniversaries this week and she had nothing to report before handing over to the Secretary to address members.

**Cherilyn Fleming** asked that anyone who had not yet indicated changeover night attendance do so a.s.a.p. and the menu choices for the evening will be advised shortly.

She also advised that there were a few copies of the Roger Rees book still available if members were interested.

President Sue then handed back to Sergeant Alan to introduce Chairman Barry Pryor, who advised that no Directors required a spot and asked for members who required a speaking spot.

Because the meeting was ahead of time it was decided to have the fines session early and despite no birthdays and Rotary anniversaries, was the usual lucrative activity.

**200 Club** was won this week by number 102 – Secretary Cherilyn

**Chair Barry Pryor** then introduced guest speaker, Justin Biddle.

Justin firstly was pleased to confirm that our club's previous donation had been well used for the purchase of incubators which are essential for the treatment of injured wildlife. The organisation receives no Government funding and relies on revenue from its op shops and various fundraisers and donations.

They are responsible for over 1200 rescues per year, 60% of which result in releases back into the wild. This requires a budget of \$100,000 p.a.

Justin then showed a video of various releases and was pleased to take questions from members.

The rescue centre is based in Goolwa and the organisation relies on 60-70 volunteers, 20 at the centre. Many injuries to wildlife are human related (e.g., Motor vehicle hits) and distances travelled for rescues often depends on the animal involved. The centre has particularly developed expertise in treating Pelicans, Penguins and other seabirds and the longest travels usually relate to these. The final remarks related to the possibility of hosting a vocational visit sometime in the future and this will be investigated by both sides.

**Next Meeting:** Next Meeting on 4<sup>th</sup> May is at the Grosvenor Hotel our Guest Speaker is Barrey Niven; talking about an introduction to the bagpipes. Chairperson is Bob McFarland.
