in the WORLD**

*'The Rotary Club of Encounter Bay acknowledges the Ngarrindjeri and Ramindjeri people as the traditional custodians of our beautiful lands and surrounding waters and respects elders past, present and emerging.'*

### MEETING NUMBER 2180 THURSDAY, 27<sup>th</sup> JULY 2023

The meeting this week was held at the Victor Harbor Men's Shed.

Sergeant Bob Oliver called the meeting to order and expressed the club's thanks to the "Reds" club for their dinner invitation. Rotarians on their first visit to the shed earlier had a conducted tour of the facility.

"Reds" club President Max welcomed Rotarians and thanked the club for previous assistance and donations, including the initial contribution on the setting up of the shed.

The usual Rotary formalities were dispensed with on this occasion although President elect Peter Francis, in the absence of President Stuart, did announce that work was continuing on development of the budget as also were investigations into involvement with the Yankalilla Show.

The "Reds" then served an excellent 3 course meal which was thoroughly appreciated, but the scores for the following wine tasting left something to be desired.

President-elect Peter closed the meeting with many thanks to the cooks and everyone else involved in the evening and a reminder of next week's meeting with Bill Hayes re the Beaumont Children abduction. (see details forward program) This is now almost fully subscribed so if any members still wish to attend they will need to contact Peter Manuel quickly.

Attendance numbers were slightly disappointing at 60% plus guests Grant Mullins and Geoff Watkins, who members were particularly pleased to see looking fighting fit.

Meeting closed at app. 8.30pm
